What a B-L-A-S-T!!! *Keep the Memories Alive*

Despite the denial of our shipboard visit by the Naval Inactive Ship Maintenance Facility headquarters in Portsmouth, VA., the 3rd. USS Nitro Association Reunion was an unqualified success.

The Association met in reunion at the Four Points Hotel, Cherry Hill, NJ., from 21 - 24 June. Approximately 45 former crewmembers plus family members and friends were in attendance for the annual business meeting, wreath laying ceremony and bus tour of historical Philadelphia.

Monday AM, 21 June 1999 - the Reunion committee with help from spouses and the Phil and Donna Wise, started decorating and setting up the meeting room. Monday afternoon - members started checking in and

renewing old acquaintances. Monday evening - business meeting, picture taking session, presentation of awards and more friendship making.

Tuesday AM, 22 June 1999 - Caravan to Naval Base in Philadelphia for Wreath Laying Ceremony at USS Nitro (AE-23). 1000, Wreath Laying Ceremony with Honor Guard provided by American Legion Post 281, Glendora, New Jersey (thanks again to Thomas Lowe for arranging this wonderful addition to the ceremony). Tuesday afternoon - fellowship and general "bull session" at Legion Post 281. Tuesday evening - dinner at the Old Country Buffet for all hands wishing to attend (about 65). Sorry for not having the stainless steel mess deck trays or the tables with the raised edging. We will try harder next time.

Wednesday AM, 23 June 1999 - A five-hour guided walking and bus tour of Philadelphia (45 in attendance). Wednesday evening - a general get together to reminisce, take more pictures, watch video tapes of the AE-23 in action, swap addresses, phone numbers and email addresses and say "farewell" till June 2000.

Thursday AM, 24 June 1999 - Set Special Sea and Anchor Detail for departing port. See ya in Chicago!!!

The following AE-2 crewmembers were present: Delaware Hood, Jim Herron, Dick Steinreich, Lindsay Waters, Bill Lewis, Lee Smith, John Meissner, George Livernois.

The following AE-23 crewmembers were present: Bob Eberlein, Jim Timmons, Harold Odette, Phil Wise, John Holland, Peter Scott, Wayne Callen, Evan Bush, Oscar Santiago, Brian Evans, Christine Crites, Santo Scudero, Michael Raphael, Dick Leipfert, Jay Giuliani, Thomas Lowe, Jerrol Satterfield, Pat Gerrity, Russell Garbutt, John Fisher, George Gregory, Dick Artale, Wallace Carey, Dick Lemon, Sr., John Mahler, James Musumeci, Walter Newsome, Jay Nystrom, Bob Peiffer, Don Skillman, Larry Young, James Balf, Joseph Gentlemen.

Y2K Reunion

The sight for our 2000 reunion has been chosen. The Nitro Association will meet in reunion from Thursday, 22 June to Sunday, 25 June 2000 in Chicago, Illinois.

Chief among the activities we are planning for this reunion will be a day at Great Lakes Naval Training Center. We are attempting to arrange seating for our group at the Friday, AM graduation and for a wreath laying ceremony, at which the Great Lakes Navy Band will participate.

We will start an immediate search for a convenient hotel to house our reunion attendees and activities. Watch our website and newsletter for further developments.

The 2001 Nitro Reunion is scheduled to take place in Charleston, SC.

Nitro Blast Newsletters

During the past year, we have sent out newsletters to all of our database members, for whom we have correct address, regardless if they were a member of the Nitro Association or not. This will be the last newsletter sent to non-members.

If you are a non-member and still wish to receive the Nitro newsletters,

please send a check for \$10.00 (for the next 4 quarterly newsletters) to the address listed above.

The reason for the decision to charge non-members for the newsletter is due to the cost of postage and printing.

USS Nitro Patches

The picture below is a copy of the Nitro Jacket Patch that was used during the 1960-70s

The multi-colored jacket patch will be part of our 2000 Association dues. Also included as part of the premium for 2000 will be a cloisonné pin with a representation of the AE-2.

As mentioned in earlier newsletters, we are trying to come up with artwork based on the AE-2 and this is our first attempt. The 2000 Association Dues, which includes the **premium, for \$23.20 (\$20.00 for the dues and \$3.20 for S/H). Additional patch and pin sets may be ordered for \$15.00/ea. plus shipping.

Nitro Regional Coordinators

We are in search of people interested in becoming Regional Coordinators for the Nitro Association. These people would help in the planning of upcoming reunions in their region and also contact local/regional media outlets for placement of reunion notices in local/regional newspapers.

Association Receives AE-23 Commissioning Pennant

Wayne Misner of Owensville, Missouri, a former AE-23 crewmember, has donated to the Nitro Association what is believed to be the ship's original commissioning pennant. He had this confirmed to him by an old BM1 who was on board Nitro AE-23 at the commissioning. This commissioning pennant represents a significant addition to our growing Association Archive.

On behalf of the USS Nitro Association, I would like to thank Warren for his generous gift. If anyone else has an item of interest they would like to contribute to the Nitro Association Archive, please contact either Bob Eberlein or myself.

Request for Cruise Stories

We are in need of additional cruise book stories for our 2000 Reunion booklet. These entrees should be between 100 and 500 words in length. If you would like to contribute, the stories may be sent to the return addressee.

The Nitro Sage - B. Gregory

I don't suffer from insanity, I enjoy every minute of it.

I'm not a complete idiot, some parts are missing.

The Crows Nest

Seeking information on Nils Tage Nelson, went by the name Tage or "Swede". He was a member of the AE-2. Rate was believed to be a yeoman. Age when on board approx. late teens to early 20's. Please contact: Mrs. Carolyn A. Corbin, 2201 Hillcrest Rd., Mobile, AL 36695-3809.

Any persons wishing to find former shipmates may send the requests to

either the *Blast* editor or the Web Master's addresses listed below.

A Final Thought

The 1999 Reunion is now but fond memories. What a turn out. By now Jim has explained every detail of the reunion so, I will not go over it.

At this time I will mention the three persons who supplied the Association with the wooden trophies and the bell stand and of course the prayer for the wreath ceremony.

The bell stand was made of solid oak by Mr. James J. Niedermeyer, and the three oak and cherry trophies were donated by Mr. Richard Traver. Rev. Edgar Cabello wrote the prayer. All of these gentlemen live in Mishawaka, IN., and I thank them again for their support of the Association.

This year's reunion was more than anyone on the committee ever dreamed of. Its success was due to the large turn out by you the members. We again thank you.

The committee is now planning and making arrangements for the next one to be held in Chicago. It will be here before we know it. Hope we can top this one.

Fair winds and following seas,
Bob Eberlein, Founder & President,
USS Nitro Association
